Queen's Garden
The Queen's Garden feels neat, tense, and a little dangerous, but you can retreat north at any time.
People here: Queen of Hearts
Try: talk queen of hearts.
Items here: white rose, flamingo, and playing card
Your movement options here are: go north and go east
What to do next: be careful here. The Queen is watching her garden closely.
> use flamingo
You need to be carrying that first.
> take flamingo
You take the flamingo.
> use flamingo
You lift the flamingo like a croquet mallet.
The Queen sees this at once and screams, Off with your head!
You lose.
```

That is how the player loses. If the player takes the flamingo in the Queen's Garden and then uses it, the Queen reacts and the game ends with a loss. To win the game, the player must collect all three treasure items and stash them in the safe room, Wonder Hall. Once all three treasures are safely stashed, the game prints the win message.
